How to Apply

1. Contact your county assessor for an application. The office is listed under County Offices in your telephone directory.
2. Complete the application. If you need help completing the application, the assessor’s staff will assist you. You must apply for your 2019 property tax deferral between January 1 and April 15, 2019. You and your spouse must sign the application, and these signatures must be notarized.
3. Attach the following to your application:
 - A copy of the recorded deed, title, or contract for purchase of this property, including a legal description.
 - A copy of your application for property tax reduction for the current year.
 - A statement of the current assessed value for the eligible portion of the property. (You can get this from your county assessor.)

- A copy of your fire and casualty insurance policy.

You must apply and qualify each year to receive a property tax deferral. Property tax deferrals are not renewed automatically.

If approved, your property tax deferral will be applied to your December 2019 tax bill.

Repaying Deferred Taxes

Deferred property taxes and interest become a lien on your property. You must repay the amount of the deferral and interest if:

- The property, or any part of it, is sold or the title is transferred.
- The qualified claimant, or the last surviving claimant, dies.
- The property no longer qualifies for the Homeowner's Exemption.
- The Idaho State Tax Commission determines that the property tax deferral was granted to a person who isn't a qualified claimant or was granted for property that doesn't qualify.

Insurance Requirements

Your fire and casualty insurance policy must show the Tax Commission as a loss payee, and you must provide the Tax Commission with a copy of this policy.
