

011916 Project Updates:

- 60% Design 1/7/16
- 404 Permit submitted 1/7/16
- DEQ Permit required? No
- Have received some names of companies who can do the work
- Need to start choosing boulders
 - Describe our available inventory (# of large boulders by each approximate size).
 - Basically, how many 2 footers (meaning about 2' by 2' by 2'), 3 footers, and so on
 - Ideally, we will have about 50-3' available
 - Need a google earth waypoint (of the inventory location) so that we can direct our IDFG construction crews to go grab and move them to the Barber Park storage area.
- Boise Valley Fly Fishers wants to contribute to the project also
 - Are there any Board members who know of other potential funding sources?
- Fly-over of Truckee River enhancement project
