

Rocks and Foundation for Ada County EAB Project

1. Rocks near Barber Dam (North Side of River). Located on property that belongs to Harris Ranch and Ada County. There may be questions about who these boulders belong to.

2. Broken up foundation from Harris Ranch development at same location

3. There are several dozen rocks of varying sizes off of E. Barber Drive on property owned by Harris Ranch. The property is north of the road along the foothills.

4. Over two dozen rocks (not all shown) and broken up foundation along the *new* section of Park Center road. This section is still under construction and is currently named "S. Wise Way".
